## Frequently Asked Questions

### Will MAT make me feel high?

No. MAT helps you feel stable and in control.

### Is MAT safe?

Yes. MAT medicines are FDA-approved and proven to work.

### Do I need therapy too?

Yes. Counseling helps you stay on track long-term.

### How long will I need MAT?

It depends on you. Your care team will guide you.

### What does it cost?

Most clinics accept all insurance. Sliding fee scales available if uninsured.
